Sheriff Deputy's of Walker

2016 FEB 08 PM 12:11

K. Emborg Kelley Godfrey

U.S. DISTRICT COURT
N.D. OF ALABAMA

On Feb 15th 2015, I Matthew McGaha was involved in a wreck
 in which an Walker Co Sheriff Deputy Kevin Emborg Ran me
 over with his patrol car. At the time I was not arrested but
 had been taken IN critical condition to UAB Hospital, the following
 Day as me and my wife were talking about the events of
 what had happened we realized my AT&T cell phone
 a Blue iPhone SC was missing so we reported the phone
 lost or stolen through AT&T Find my phone with this
 App we put the Screen Alert with my wifes phone
 number to contact if found or Recovered. Approx 8-9 months
 later while incarcerated by TXT message by a cell
 phone #205-300-2718 claiming that the cell phone had been
 sold to the persons mom and given to them as a present
 and could my wife give them the Passcode to unlock
 The phone. My wife reverse Looked the Number up
 it was listed to an Ivey Trotter. My wife further
 investigated and Learned the girl was in fact
 a teenager who lived in Navas Al and as well
 She learned the girl Ivey Trotter was the daughter
 of Correction officer Kelley Godfrey. All info was
 researched on FB and The Internet. 2 days later
 Walker Co Jail chief Darren Bridges called me at
 8 o'clock into his office where he did a phone
 live up claiming my phone properly had been
 discovered in an out of commission Patrol car.

Darren ^{covered} up the buying and selling of my property
 Also Now its Funny that Im in this Jail for 5
 months on a unsufficient bond and Excessive bails
 That shall not be required. For Receiving Stolen property

Now I wood Like to know why There was no
 Traffic Infraction No Traffic offenses listed, No Improper
 Tag; Improper Signal; Improper lights; Failure to yield right
 of way; No Improper Turns; Then why was He Behind me
 I dont Running a stop sign. Beccase He did not Have
 No light on when officer 'Emberg' was Trying to Kill me
 They have no report of a motor vehicle Fleeing or attempting
 to elude on the Dispatcher report or No Backup for a nother
 officer of walker County Dispatch to the Accident.
 Now if this Sherri Deputy gave my phone that was
 stolen Prop that was lost or stolen through At&T
 That was put on the screen Alert, then A officer teenager
 kid call by The Name of Ivey Trotter from Navasota AL
 The daughter of County Sherri Deputy Keller Godfrey.
 Is that's not the same thing that they got me
